### Summary of reasons for decision:

The image file depicts a young girl. It was submitted for classification because of the circumstances in which it was found. However, as the image raises no issues that under ss3(1), 3A or 3B of the Films, Videos, and Publications Classification Act 1993 it must be classified as unrestricted. This classification does not interfere with the right to freedom of expression as affirmed in the New Zealand Bill of Rights Act 1990.
